Shows

- Attendance is mandatory.
- Follow Head-to-Toe Checklist for costume/hair/make-up.
- Tickets are sold online. Link available on Legacy's website.
- No photography or video is permitted during the show.

Drop-Off/Pick-Up Procedures

- **Check-In:** Dancers and one female adult will gather with their class moms on the south side of cafeteria (look for a picture of your costume). Class moms will distribute wristbands for backstage access (see below).
- **Male students:** regardless which class they're in, will gather and enter with the Class Dad.
- **Dancers age 13+:** may sign themselves in/out and do not need to be accompanied by a parent.
- **Call time:** All dancers should be with class moms. When the entire class is gathered, security will allow the class to head to their changing room. Female adults with a wristband may accompany their dancer backstage to help with changing. **DO NOT BE LATE!**
- **Families with multiple dancers:** should drop their oldest student with the class moms and enter with youngest sibling. Dancers should always stay with their class. Male dancers cannot enter the female changing areas during pick-up/drop-off, so plan accordingly.
- **Backstage secure time:** All dancers dressed and ready, wristbanded parents must exit backstage area. No one other than class moms and dancers allowed in rooms. **Doors to the backstage hallway will be locked and no one will be available to let you in after this time.**
- **After the show:** one wristbanded adult will be allowed to enter the backstage area through the south hallway doors to pick-up their child and help them change out of their costume. Exit through the north hallway doors.

Backstage Access Policy

We take the safety of our dancers very seriously at Legacy School of Dance.

IN ORDER TO BE GRANTED ACCESS TO THE BACKSTAGE AREA:

- You must be a class mom and/or have the appropriately colored wristband for that show. Security will make no exceptions to this rule.
- No dancers may exit until the show is complete.

WRISTBANDS:

- Are obtained from your class mom at class mom check-in
- Are given to one adult female per dancer (including male dancers)
- Will grant you access to the backstage area briefly before and after the show to walk your dancer back to the room, help them change, and then exit. At backstage secure time, only class moms may remain. All parents must exit.

WRISTBANDS WILL NOT BE GIVEN TO (AND BACKSTAGE ACCESS WILL BE DENIED):

- Siblings (including babies)
- Men (If a male needs to drop off or a female can't leave a sibling, they should make arrangements with the class mom at tech rehearsal or in the lobby. Usually it works best for the parent to have hair & make-up completely done in the lobby, and then the class mom helps the dancer to slip into their costume and shoes backstage.)
