

New for the 26-27 season, all payments made by credit card will be charged a 3% processing fee. Families who pay by ACH are only charged a 1% processing fee.

The third-party payment processors charge a fee on all transactions. The fee varies depending on the payment method with credit cards charged a 3% processing fee and ACH transactions a 1% processing fee. Beginning this year, you will see this processing fee at checkout and on invoices.

Debit card transactions are charged the same processing fee as credit cards, but the studio is required to pay this fee on your behalf. For this reason, we no longer accept debit cards. If you prefer not to pay with a credit card, we ask that you choose to set up an ACH instead.

Payment methods can be changed at any time on the parent portal.

C.R.S. § 5-2-212(1)(c)(II)(B): To cover the cost of processing a credit or charge card transaction, and pursuant to section 5-2-212, Colorado Revised Statutes, a seller or lessor may impose a processing surcharge in an amount not to exceed the merchant discount fee that the seller or lessor incurs in processing the sales or lease transaction. A seller or lessor shall not impose a processing surcharge on payments made by use of cash, a check, or a debit card or redemption of a gift card.
